Si desea anular, marque el cuadrado inferior al que quiere corregir, en la segunda línea y quedará anulada. Marque de nuevo la opción que considere correcta. Para cada pregunta hay dos líneas de respuesta; la primera se utiliza para contener la respuesta que Vd. considere correcta y la segunda, traza coloreada, para anular la respuesta si desea hacerlo, debiendo en cualquier caso rellenar completamente el cuadrado. Si desea anular, marque el cuadrado inferior al que quiere corregir, en la segunda línea y quedará anulada. Marque de nuevo la opción que considere correcta. Podrá anular las veces que sea necesario.

Esta hoja ha de ser cumplimentada con bolígrafo negro o azul exclusivamente. Para cada pregunta hay dos líneas de respuesta; la primera se utiliza para contener la respuesta que Vd. considere correcta y la segunda, trama coloreada, para anular la respuesta si desea hacerlo, debiendo en cualquier caso rellenar completamente el cuadrado. Si desea anular, marque el cuadrado inferior al que quiere corregir, en la segunda línea y quedará anulada. Marque de nuevo la opción que considere correcta. Podrá anular las veces que sea necesario.
